#### PARCEL POST WAGONS TO BE STANDARDIZED

Specifications Drawn Up By Department—General Order Made.

Washington.—In the future all parcel post and collection and delivery wagons in use in the postal service throughout the country will be standardized in accordance with new specifications drawn up by the postoffice department. A general order to that effect was made public by Postmaster General Burleson. He

announces that standard wagons will be adopted as rapidly as contracts permit. Under the specifications, the wagons are to be painted with medium coach green for body and cardinal red for running gear, with black striping and gold letters. The words "United States Mail" and "Parcel Post" will appear on the wagons in conspicuous gold letters.

#### JUDGE HENRY S. BARKER

Eminent Jurist and Educator To Speak In Maysville Monday Afternoon On Woman Suffrage.

Judge Henry S. Barker, who will speak on "Woman Suffrage" at the recent House, Monday, February 2nd at 2 o'clock, has been honored by the people of Kentucky with a seat on the Appellate Bench, the highest court in

the State, and the State bar unanimously declares that he filled the responsible position with distinction. He was called from the Bench to the headship of the educational system of the State, the Presidency of the State University of Kentucky.

The course of reasoning which has led one whom Kentuckians have thus honored and trusted, to espouse the cause of Woman Suffrage, must be of value to all those who wish to give to this vital question, conscientious and intelligent study. It is for this reason that the Mason County Woman Suffrage League requests and urges all voters and all non-voters who can, to hear Judge Barker speak.

The meeting was set for Court Day in order to catch the farmers who come to town on that day. The day hour suits all those living in the country better than night, and it is hoped that farmers and their wives will fill the Court House.

Kentucky women greatly prefer to appeal quietly to the moral intelligence of their men and trust to that appeal to win response rather than to resort to cross country marches, street parades, street corner speeches, and such like methods to secure attention and a hearing. They are your wives, daughters, mothers, sisters, sweethearts, friends, bone of your bone and flesh of your flesh, and being so fathered and so husbanded, they will not be silenced without a hearing.

Because of these considerations, we confidently expect you to come to the Court House at 2 o'clock, Monday, and that you will come with an open mind.

MASON COUNTY WOMAN SUFFRAGE LEAGUE.

The following letter is given to the newspapers as a means of getting its contents before the friends of "Woman

Suffrage" in this community. If you are a friend to the cause and wish to see Kentucky have the honor of being the first Southern State to confer the rights and powers of citizens upon her women as ten western States have already done, write at once to Mr. Reed and Mr. Hagley, and request them to attend this hearing. Write also to any other members of the General Assembly with whom you may have influence. It is hoped that a good delega-

tion from this city and county will attend the Legislature hearing at the time and place named in Mrs. Breckinridge's letter.

ALICE LLOYD, President, Mason County Woman Suffrage League.

Mrs. Breckinridge To Address Suffrage Committee at Frankfort Wednesday Night.

Lexington, Ky., Jan. 27, 1914.

Miss Alice Lloyd, Maysville, Kentucky.

My dear Miss Lloyd:

The Committee on Suffrage, of the House of Representatives, has agreed to give us a public hearing on the night of Wednesday, February 4, at 8 o'clock at the Capital Hotel in Frankfort. It is important that we should have as many members of the House and of the Senate as possible to attend. Will you write and get all others, both men and women, whom you can, to write to your Senator and Representative urging them to attend this hearing, and also to vote for the passage of the bill that has been introduced by Mr. Miller of McCracken County.

It will also be of advantage to have as many who desire that women be given the right of suffrage and can conveniently do so, attend this hearing on February 4th. If it is convenient for you to attend, I hope you will do so.

Your presence there will have a splendid effect in showing your interest in the passage of this amendment. But whether you can or cannot attend, I hope you will immediately write to your Senator and Representative, and get any others who are interested to write to urge them to attend.

Very sincerely yours,

M. M. BRECKINRIDGE, Pres., Kentucky Equal Rights Association.
